ALL

I am a girl
I am a woman
I am a lady
I'm not male, but I'm just as strong.
As cunning
As wise
As agile
As talented.
My beauty isn't my only definition
I create
I play
I fight
I show
I win
I am a woman, and therefore powerful.
I am more than what I seem
I am always what I dream
I can be me
I will be me
A boy can't stop my force
Girls are just as fierce.
A boy can't tell me who I am
I tell me who I am
I'm still learning how to fly
I'm still learning how they see me
I'm still learning the definition of
"My"
My life
My art
My creation
My body
I am a woman, and therefore powerful.
I am a warrior
I will never stop
I can do what I please
Without Man's permission.
I can do more than what you'd think...

ALL

You've never known anyone like me
before...

You've never seen anything like me
before...

Well, now you have. And I promise
you'll see more:

More unique, more extraordinary, more
variety.

MORE.

I'll never go away.

I'll never back down.

I'll never give up.

I'll never give in.

I'll never stop.

I'll keep getting back up.

Because I am a woman; therefore a warrior.

And I'm not the only one.
